## HOW DO I BECOME A HOST HOME PROVIDER?

HHP's are self-employed contractors and Skills Academy will contract with you. The contract process includes an application, background check, a criminal background check, a home inspection, and completion of required trainings.

A host home provider promotes advocacy, patience, and encourages the student to meet their life goals to thrive in today's society. Skills Academy works with you to be the best provider you can be!

In addition, we have our Skills Academy support group for parents, host home providers, and caregivers led by our Residential Director and Board Certified Behavior Analyst.

**Developmentally Disabled (I/DD) topics covered:** caregiver burnout, caregiver self care, caregiver guilt, community resources, and more.

**Meet other caregivers and share your experience with others.**
